INSIDE

## Vision Statement:

Artisans Group Architecture and Planning is an award winning, women owned design studio, committed to high performance, net zero resilient buildings and communities. As planners, designers and architects, we advocate for healthy, equitable, transformational spaces, and soulful sustainability at every scale of project. Driven by good building science, we put things on the planet with great care, leveraging decades of experience into lasting relationships, and hundreds of realized dreams.

In addition to many Custom Passive House prefab's coming off our boards, we are in Land Use for a new Prefab PH office and 6 apartments above, called *THE ROOKERY*

ARTISANS GROUP

We are also preparing for Land Use for what will hopefully be one of the largest Habitat For Humanity Projects in the country, all multifamily, prefab and Passive House!
